There is no way,

To describe my every day,

Using just one word

_

My life is constant fear,

Survival, to me, is dear.

In order to survive,

In a place where evil thrives,

I am forced to wear a mask.

Why is this? You ask.

I fight a secret war.

Evil loiters at my door.

But little choice is left to me.

A secret, this all must be.

If it slips to anyone,

My life will be as good as done.

I cannot tell a single soul,

Or I may have to pay a toll.

I'd be putting a lot in danger.

I bear too much for a mere teenager.

I strive to save humanity,

And risk losing my sanity.

There is no way,

To describe my every day,

Using just one word.

The closest match would be,

The word **Masquerade**
